objective.

Seeking to expand my graphic design skills in a professional environment to support a company's business objective.

education.

2001-2002 Spring Metropolitan State College. Denver, Colorado. Art major and Varsity Women's Soccer Full Scholarship.

2003-2006 Spring Colorado State University. Fort Collins, Colorado. **Graduated** with a BFA Graphic Design degree.

Inteck Incorporated. January 2003-Present. Denver, Colorado. **Contract Graphic Designer.**
Contact: Lisa Martin 303.906.5057 <lmartin@inteck-inc.com>
Designed tradeshow graphics including banners, table graphics and large displays. In the Spring of 2007, I created a series of flyers in all areas of their company which we completed over 75 flyers total.

Jeppesen Sanderson. November 2006-November 2007. Englewood, Colorado. **Customer Service Rep.**
Contact: Bobbie Martinez 303.328.4270 <bobbie.martinez@jeppesen.com>
As a account manager of multiple customers, I would assist in maintain their Subscriptions, Flight materials and their educational materials. In July of 2007, I was selected to travel to an AOPA Conference to represent the company and answer any questions any attendees had about our materials.

Sontec Instruments, Inc. November 2007-May 2008. Cenntennial, Colorado. **Graphic Designer.**
Contact: Mike Westbrook 303.790.9411 <mike@sontecinstruments.com>
I work as the companies sole Graphic Designer working on a variety of projects. I am responsible for updating and maintaining 20 plus catalogs with a variety of medical instruments. Recently, our company signed on to sell instruments which required to keep the design to a very specific FDA pre approved label.

Covidien. May 2008-Present. Boulder, Colorado. **Graphic Designer.**
Contact: David Tomasula 303.306.2413 <david.tomasula@covidien.com>
A rebranding project for the respreatory division at Covidien. A two and a half year commitment in helping redesign and recreate products such as tracheal tubs, resperators and other reseratory instruments.
I was assigned as **lead designer** to represent our division with template creating and design approval.

experience.

qualifications.
